

Amanda Iovino
Federal Election Commission
999 E St, NW
Washington, DC 20463

Ms. Iovino:

The Committee has completed an internal review of all 48 hour reports filed in the period prior to the General election. During this review, the committee has detected that the address on one of the contributions was incorrectly disclosed.

The 48 hr report filed on 10/28/2010 included a contribution of \$1000 from 'Markey for Congress' whose address was listed as PO Box 1333, Fort Collins, CO 80521. In fact, this contribution for \$1000 was received from 'The Markey Committee' whose address is PO Box 526, Medford, MA 02155.

The committee would like to clarify for the public record that these are two distinct candidate committees and that the aforementioned contribution was received from the latter. The Committee has filed a Form6 listing the correct contributor in the interest of complete public disclosure.

If there are any additional questions, please contact Brett P. Smiley at (401) 454 0991.

Yours Sincerely,

Theodore Kowalczyk,
Treasurer,
Bill Owens for Congress (ID: C00464495)
